<p>The following is a quote from www.poets.org:</p>
    <blockquote><blockquote><p align=justify>Edgar Allan Poe was born in
    Boston, Massachusetts, on January 19, 1809. Poe's father and
    mother, both professional actors, died before the poet was
    three and John and Frances Allan raised him as a foster
    child in Richmond, Virginia. John Allan, a prosperous
    tobacco exporter, sent Poe to the best boarding schools and
    later to the University of Virginia, where Poe excelled
    academically.</p></blockquote></blockquote>
